

KADIM LAY

Cloud Computing Specialist

Jakarta | +62 831 2112 3001 | kadimlay@email.com

SUMMARY

Highly skilled cloud computing specialist with 7 years of experience in architecting, implementing, and managing cloud solutions. Proficient in leading cloud platforms such as Amazon Web Services (AWS), Microsoft Azure, and Google Cloud Platform (GCP). Experienced in cloud architecture design, migration, automation, and optimization. Committed to delivering scalable, secure, and cost-effective cloud solutions that drive business innovation and growth.

EXPERIENCE

PT CloudTech Solutions - Jakarta, Indonesia

Cloud Computing Specialist (July 2015 - Present)

- Optimized cloud environments for performance, reliability, and cost-efficiency, leveraging automation and best practices to maximize resource utilization.
- Designed and implemented cloud architectures tailored to meet the specific needs of clients across various industries, utilizing AWS, Azure, and GCP services.
- Provided expert guidance and support to clients, addressing technical challenges, implementing security measures, and ensuring compliance with industry standards.

PT TechForward - Jakarta, Indonesia

Junior Cloud Engineer (May 2013 - June 2015)

- Contributed to the development of automation scripts and deployment pipelines to streamline cloud provisioning and management tasks.
- Participated in troubleshooting efforts and resolution of technical issues related to cloud services and applications.
- Collaborated with senior engineers to design and implement cloud solutions, following industry best practices and standards.

EDUCATION

UNIVERSITAS INDONESIA (2009 - 2013)

Bachelor of Computer Science – GPA 2.7

CERTIFICATIONS

- AWS Certified Solutions Architect – Professional
- Google Cloud Certified - Professional Cloud Architect
