

# KINDA CAM

## Junior Software Developer

Jakarta, Indonesia | Phone: 08491622994 | Email: kindacam@email.com

### SUMMARY

---

Enthusiastic junior software developer with a solid foundation in software development principles and programming languages. Proficient in Java, Python, and JavaScript, with experience in building and maintaining web applications. Strong problem-solving skills and a passion for learning new technologies. Committed to delivering high-quality software solutions that meet client needs and exceed expectations.

### EXPERIENCE

---

#### PT SOFTWARE INNOVATION - Jakarta, Indonesia

Junior Software Developer (March 2020 – Present)

- Collaborated with cross-functional teams to develop and maintain web applications using Java, Spring Boot, and React.js.
- Contributed to the design and implementation of software solutions, including coding, testing, and debugging activities.
- Participated in code reviews and provided constructive feedback to improve code quality and maintainability.
- Implemented data governance policies and procedures to ensure data quality, integrity, and security across the organization.

#### PT TECH SOLUTIONS - Jakarta, Indonesia

Software Development Intern (July 2019 - December 2019)

- Assisted senior developers in the development and testing of software applications, focusing on front-end and back-end development tasks.
- Gained hands-on experience with various technologies, including HTML/CSS, JavaScript, and SQL.
- Participated in team meetings and contributed ideas to enhance project workflows and efficiency.

### EDUCATION

---

#### UNIVERSITAS TARUMANAGARA (2016 - 2020)

Bachelor of Computer Science - GPA 3.7

### SKILLS

---

- Programming languages: Java, Python, JavaScript
