

ANDRE WIJAYA

Computer Graphics Specialist

Bandung | +62 811 9882 8541 | andrewijaya@email.com

SUMMARY

Creative and detail-oriented computer graphics specialist with 6 years of experience in producing high-quality visual content. Proficient in a wide range of graphics software, including Adobe Creative Suite, Autodesk Maya, and Cinema 4D. Skilled in 3D modeling, texturing, lighting, and animation. Passionate about pushing the boundaries of visual storytelling through innovative graphics.

EXPERIENCE

PT VisualDynamics - Bandung, Indonesia

Computer Graphics Specialist (July 2017 - Present)

- Designed and developed 3D models, textures, and animations for use in various multimedia projects, including video games, films, and architectural visualization.
- Collaborated closely with art directors, animators, and project managers to ensure seamless integration of graphics into final deliverables.
- Conducted research and experimentation with emerging technologies and techniques to enhance visual storytelling capabilities.

PT CreativeImpact - Bandung, Indonesia

Junior Graphic Designer (May 2015 - June 2017)

- Assisted in the creation of print and digital graphics for marketing campaigns, including logos, brochures, and social media content.
- Supported senior designers in executing design projects, from initial concept to final delivery, ensuring adherence to brand guidelines and client expectations.
- Contributed creative ideas and concepts to design brainstorming sessions, helping to develop unique visual concepts for client projects.

EDUCATION

INSTITUT TEKNOLOGI BANDUNG (2011 - 2015)

Bachelor of Computer Science – GPA 2.6

CERTIFICATIONS

- Autodesk Certified Professional (ACP) in Maya
- Blender Certified Trainer
