

# ARIEF SETIAWAN

## Software Development Engineer

Semarang, Indonesia | Phone: 08443114990 | Email: arief.setiawan@email.com

### SUMMARY

---

Experienced software development engineer with a passion for creating high-quality, scalable software solutions. Skilled in full-stack development, including frontend and backend technologies. Proficient in Agile methodologies and CI/CD practices. Strong problem-solving abilities with a focus on delivering efficient and innovative solutions. Dedicated to continuous learning and staying updated with the latest technologies and best practices in software development.

### EXPERIENCE

---

#### PT MAJU TEKNOLOGI CERDAS - Semarang, Indonesia

Software Development Engineer (January 2017 – Present)

- Designed and developed frontend and backend components of web applications using technologies such as React, Node.js, and MongoDB.
- Implemented automated testing and deployment processes using Jenkins and Docker, resulting in faster release cycles and improved code quality.
- Collaborated with cross-functional teams to define project requirements, scope, and deliverables, ensuring alignment with business objectives.
- Conducted code reviews and provided technical guidance and mentorship to junior developers to promote best practices and maintain code standards.

### EDUCATION

---

#### UNIVERSITAS DIPONEGORO (2013 - 2017)

Bachelor of Computer Science - GPA 3.8

### SKILLS
