

# ARIF HADI

## Cloud Computing Specialist

Surabaya | +62 811 9612 3341 | arifhadi@email.com

### SUMMARY

Dynamic and results-driven cloud computing specialist with 5 years of experience in designing, implementing, and managing cloud-based solutions. Proficient in cloud platforms such as Amazon Web Services (AWS), Microsoft Azure, and Google Cloud Platform (GCP). Skilled in cloud architecture, deployment, migration, and optimization. Dedicated to delivering scalable and reliable cloud solutions that drive business growth and innovation.

### EXPERIENCE

#### PT CloudWorks - Surabaya, Indonesia

Cloud Computing Specialist (July 2017 - Present)

- Led cloud migration projects, assessing existing infrastructure, planning migration strategies, and executing migration processes with minimal downtime.
- Provided ongoing support and troubleshooting for cloud deployments, ensuring smooth operation and resolving technical issues promptly.
- Optimized cloud environments for performance, cost-efficiency, and security, implementing best practices and automation techniques.

#### PT TechSolutions - Surabaya, Indonesia

Junior Cloud Engineer (April 2015 - June 2017)

- Contributed to the development of automation scripts and deployment pipelines to streamline cloud provisioning and management tasks.
- Assisted in the deployment and configuration of cloud-based infrastructure, including virtual machines, storage, and networking components.
- Supported senior engineers in troubleshooting and resolving technical issues related to cloud services and applications.

### EDUCATION

#### INSTITUT TEKNOLOGI SEPULUH NOPEMBER (2011 - 2015)

Bachelor of Computer Science – GPA 2.9

### CERTIFICATIONS

- Microsoft Certified: Azure Administrator Associate
- Google Cloud Certified - Professional Cloud Architect
