SUMMARY

Highly skilled IT consultant with over 10 years of experience in delivering innovative technology solutions. Specializes in advising clients on complex IT projects, optimizing system performance, and implementing cutting-edge technologies. Demonstrates expertise in cloud computing, cybersecurity, and enterprise infrastructure. Proven track record of successfully leading large-scale projects and exceeding client expectations. Adept at collaborating with cross-functional teams to drive business growth and achieve strategic objectives.

EXPERIENCE

PT KONSULTAN TEKNOLOGI MAJU - Jakarta, Indonesia
Senior IT Consultant (January 2018 – Present)

- Led multiple large-scale IT projects from conception to implementation, delivering solutions that meet client requirements and objectives.
- Advised clients on IT strategy, including cloud migration, cybersecurity measures, and infrastructure modernization.
- Conducted comprehensive IT assessments and audits to identify areas for improvement and optimize system performance.
- Developed and implemented IT policies, procedures, and best practices to ensure compliance and enhance security posture.

EDUCATION

UNIVERSITAS INDONESIA (2008 - 2012)
Bachelor of Information Technology

SKILLS

- IT strategy and consulting
- Cloud computing (AWS, Azure)
- Cybersecurity
- Enterprise infrastructure
- Project management
- Stakeholder engagement
- Leadership and team management

PROJECT

Cloud Migration Project for XYZ Corporation (2020-2021)

- Led a team of IT professionals in migrating XYZ Corporation's on-premises infrastructure to the cloud.
- Designed and implemented a hybrid cloud solution using AWS and Azure, resulting in improved scalability and cost savings.
- Oversaw the migration of critical workloads and applications with minimal disruption to business operations.

Cybersecurity Enhancement Project for ABC Bank (2018-2019)

- Conducted a comprehensive cybersecurity assessment for ABC Bank to identify vulnerabilities and weaknesses in their IT infrastructure.
- Developed and implemented a multi-layered security strategy, including firewalls, intrusion detection systems, and employee training programs.
- Improved ABC Bank's security posture and reduced the risk of cyber threats and data breaches.
