ANDI WAHYU

Web Development Specialist

Jakarta | +62 812 8123 7542 | andiwahyu@email.com

SUMMARY

Dedicated web development specialist with 7 years of experience in designing and developing websites and web applications. Proficient in front-end and back-end technologies, including HTML/CSS, JavaScript, PHP, and MySQL. Skilled in creating responsive, user-friendly interfaces and optimizing website performance for enhanced user experience.

EXPERIENCE

PT WEBTECH SOLUTIONS - Jakarta, Indonesia
Web Development Specialist (July 2016 - Present)

- Led the development of websites and web applications for clients across various industries, from initial concept to final implementation.
- Utilized HTML, CSS, JavaScript, and modern frameworks (such as React and Angular) to create dynamic and interactive user interfaces.
- Developed custom back-end solutions using PHP and MySQL, ensuring secure and efficient data handling and management.

PT DIGITALINNOVATE - Jakarta, Indonesia
Junior Web Developer (April 2013 - June 2016)

- Assisted in the design and development of websites and web applications, implementing responsive design principles and cross-browser compatibility.
- Collaborated with designers and other developers to translate design mockups into functional web interfaces.
- Conducted testing and debugging to identify and resolve issues, ensuring optimal performance and functionality.

EDUCATION

UNIVERSITAS INDONESIA (2009 - 2013)
Bachelor of Computer Science - GPA 3.6
